ARTICLE II **NEGOTIATION OF SUCCESSOR CONTRACT**

A. Deadline Date

The parties agree to enter into collective negotiation over a successor contract, in accordance with Title 34:13A-1 through 13A-13, in a good faith effort to reach agreement on matters concerning the terms and conditions of members' employment. Such negotiations shall begin prior to the expiration of the current contract in compliance with Public Employees Relations Commission (hereinafter referred to as PERC) regulations. The first actual bargaining session will be scheduled by the parties prior to January 31st.

Any contract so negotiated shall apply to all Association members, be reduced to writing, and be submitted to the Association and Board for a ratification vote. Upon adoption, the contract shall be signed.

B. Modification

This contract shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" shall mean a complaint by a member or the Association based upon the interpretation, application, or violation of this Agreement, policies, or administrative decisions affecting the terms and conditions of employment of a member or a group of members.
2. An "aggrieved party" is the person, persons, or the Association making the complaint.
3. A "party to the grievance" is the person or persons making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the complaint.

B. Procedure

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the terms and conditions of employment. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. A grievance to be considered under this procedure must be initiated by the aggrieved party within thirty (30) calendar days, excluding scheduled school breaks, of the knowledge of the occurrence. Failure to adhere to the thirty (30) calendar days time line, excluding scheduled school breaks, shall result in the grievance being waived. If a grievable situation occurs during the time school is not in session during the summer, the time period may commence if both parties are agreeable with the first day that school reconvenes in September.
3. After a grievance is presented in writing, nothing contained herein shall be construed as limiting the right of an aggrieved party to discuss the matter informally with any appropriate member of the administration.

4. An aggrieved party may be represented at all levels of the grievance procedure by himself, or at his/her option, the Association.
5. Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved party to proceed to the next level. Failure at any level of this procedure by the aggrieved party to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
6. It is understood that the aggrieved party shall continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
7. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.
8. In the event a grievance is filed at such time it can not be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party to the grievance, the time limits set forth herein may with mutual agreement of the parties be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
9. No reprisals of any kind shall be taken by the Board, any member of the administration, or by any member of the Association against any party to the grievance by reason of his/her participation in the grievance procedure.

C. Implementation

1. A party with a grievance shall first discuss it with the Principal or immediate supervisor except when covered by paragraph C.3. below, either directly or through the Association, with the objective of resolving the matter informally.
2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the aggrieved party within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, the member shall set forth the grievance, in writing, to the Principal or immediate supervisor specifying:

- a. the nature of the grievance
- b. the nature and extent of the injury, loss, or inconvenience
- c. the interpretation of previous discussions
- d. the dissatisfactions with decisions previously rendered
- e. the specific remedy sought, where feasible
- f. the date of the occurrence giving rise to the grievance
- g. date the grievance is filed
- h. specific provision of the contract or specific board policy allegedly violated

The formal grievance procedure shall begin with this notice.

The Principal shall communicate his/her decision to the aggrieved party in writing within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, of receipt of the written grievance.

3. When the grievance is considered by the grievant to be unrelated to or beyond the purview of his/her Principal or immediate supervisor, the grievant may circumvent same but will forward a copy of the grievance to his/her immediate supervisor at the time of its initiation. The final determination to allow circumvention of the Principal or immediate supervisor will be at the sole discretion of the Superintendent or his/her designee.

The Superintendent's decision will be rendered in writing to the grievant and his/her Principal or immediate supervisor within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, following his/her receipt of the written grievance.

4. The aggrieved party, no later than ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, after receipt of the Principal's or immediate supervisor's decision, may appeal the Principal's or immediate supervisor's decision to the Superintendent. The appeal to the Superintendent must be made in duplicate, reciting the matter submitted to the Principal or immediate supervisor as specified above and the member's dissatisfaction with decisions previously rendered. The Superintendent will forward one (1) copy of the appeal to the President of the Association. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days. The Superintendent shall communicate the decision in writing to the aggrieved party, the Principal or immediate supervisor, and the President of the Association.
5. If the grievance is not resolved to the aggrieved party's satisfaction, the member may request, no later than ten (10) calendar days, excluding

scheduled school breaks and/or scheduled vacation days, after receipt of the Superintendent's decision, a review by the Board. The request shall be submitted in writing through the Board Secretary who shall attach papers only related to the grievance and forward the request to the Board within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, of its receipt from the aggrieved party. The Board shall review the grievance and, at the option of the Board or the aggrieved party, hold a hearing with the aggrieved party. When the aggrieved party is not represented by the Association, the Association shall have the right to be present as observers. The President of the Board or his/her designated alternate from the Board shall be the presiding officer in a hearing. The Board will render a decision in writing within thirty (30) calendar days, excluding scheduled school breaks and/or scheduled vacation days, of receipt of the grievance by the Board.

6. If the aggrieved party is dissatisfied with the decision of the Board, the member may request in writing within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, that the Association submit the grievance to arbitration. If the Association wishes review by a third party, the Association shall notify the Board within ten (10) calendar days, excluding scheduled school breaks and/or scheduled vacation days, after receipt of the aggrieved party's request and may submit the grievance to arbitration within fifteen (15) calendar days, excluding scheduled school breaks and/or scheduled vacation days, after receipt of the aggrieved party's request.

The following grievances shall not be deemed arbitrable:

- a. any matter for which a specific method of review is prescribed either by law or any regulation of the State Commissioner of Education.
- b. any matter which according to law is either beyond the scope of Board authority or limited to action by Board alone.

D. Arbitration Procedure

The following procedure shall be used to secure the services of an arbitrator:

1. A request by either party to the grievance may be made to the Public Employment Relations Commission (PERC) and the parties agree to be bound by the rules of PERC.
2. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. The arbitrator shall not have the right or authority to add to or subtract from the precise language of the agreement.

3. The arbitrator's decision shall be binding on the parties or advisory to the parties as specified.
 - a. Only grievances alleging that there has been a violation of the express written terms of this negotiated agreement shall be subject to binding arbitration.
 - b. Grievances concerning the interpretation, application or alleged violation of statutes, Board policies and administration decisions affecting terms and conditions of employment or of statutes and regulations setting terms and conditions of employment shall be subject only to advisory arbitration.

E. Costs

1. Each party to the grievance shall bear the total costs incurred by them.
2. The fees and expenses of the arbitrator are the only costs which shall be shared by the parties to the grievance and such costs shall be shared equally.
3. A member who is required to attend an arbitration proceeding and, because of this attendance is unable to perform his/her duties, will be paid for his/her normal work day.
4. If time is lost by a member who is not required by the arbitrator for the arbitration proceedings and necessitating the retention of a substitute, the Board shall pay only the cost of the substitute. The time lost by the member must be charged to available personal leave or Association business days.
